administer the provisions of this Attachment 1 in its discretion and to take all actions necessary or appropriate to carry out the purposes of the Plan and this Attachment 1, in addition to any powers and authorities specified in the Plan, including the authority, in its discretion to determine the type of Award to be granted, including whether to grant Options as ISOs or as NSOs. In addition, in taking actions or making adjustments under Rule 19 of the Plan, the Board shall do so having due regard for the qualification of ISOs under Section 422, and the requirements of Section 409A, where applicable.

3. Options

The special rules and limitations set forth in Rule 3 of this Attachment 1 are applicable to Options issued under the Plan to US Participants.

3.1 **Maximum Term.** Options will have a maximum term not to exceed 10 years from the Grant Date (five years from the Grant Date in the case of an ISO granted to a ten-percent shareholder within the meaning of subsection (b)(6) of Section 422 of the Code).

3.2 **Exercise Price.** The Exercise Price of an Option will be no less than 100% (or, in the case of an ISO granted to a ten-percent shareholder within the meaning of subsection (b)(6) of Section 422 of the Code, 110%) of the fair market value of the Shares subject to the Option, determined as of the Grant Date, or such higher amount as the Board may determine in connection with the grant. If the Shares are traded on the ASX or another established stock market, "fair market value" shall mean the Share's Market Value, as defined in Section 1.1 of the Plan. In any case where the Exercise Price is not based upon a method using actual transactions of the Shares as reported by a stock market, the Exercise Price of an NSO shall be determined by the reasonable application of a reasonable valuation method determined in accordance with the requirements set forth under Section 409A of the Code.

3.3 **Adjustment of NSOs.** Notwithstanding anything contained in the Rules of the Plan to the contrary, including without limitation, Rule 19 of the Plan, in any instance in which a new NSO is substituted for an outstanding NSO pursuant to a corporate transaction or in any instance in which an outstanding NSO is assumed pursuant to a corporate transaction, the number of Shares and the Exercise Price per Share covered by the substituted option or assumed NSO shall be adjusted in accordance with the principles set forth in Sections 1.424-1(a)(5) and 1.409A-1(b)(5)(v)(D) of the United States Treasury Regulations. The instances in which there may be a substitution of a new Option for an outstanding NSO pursuant to a corporate transaction or in which there may be an assumption of an outstanding NSO pursuant to a corporate transaction shall be limited to those corporate transactions authorized by the Plan but shall be further limited to only those corporate transactions described in Section 1.424-1(a)(3) of the Treasury Regulations. In the case of a stock split (including a reverse stock split), or stock dividend involving the Shares where the only effect of the stock split or stock dividend is to increase or decrease on a pro rata basis the number of Shares owned by each shareholder, the Exercise Price and the number of Shares subject to an NSO shall be proportionally adjusted to reflect such stock split or stock dividend.

3.4 In no event shall the exercise period of an NSO be extended for any purpose or for any reason, to a date that is the later that the earlier of (i) the date on which the NSO would expire by its original terms, or (ii) the tenth (10th) anniversary of the original Grant Date.

The limit set forth in this Rule 3 shall be construed to comply with Section 422 of the Code.
- 3.5.3 **US \$100,000 Limit.** To the extent that the aggregate fair market value (determined as of the time the Option is granted) of the Shares with respect to which ISOs are exercisable for the first time by the US Participant under all equity compensation arrangements or schemes of the Company and/or Group members (if applicable) exceeds US\$100,000 during any calendar year, the Options or portions thereof that exceed such limit shall be treated as NSOs in accordance with Section 422 of the Code, notwithstanding any contrary provision of the Plan, this Attachment 1 and/or the Award.
- 3.5.4 **Disqualifying Dispositions.** If a US Participant sells or otherwise disposes of any of the Shares acquired pursuant to the exercise of an ISO on or before the later of (i) the date that is two years after the date the ISO was granted, or (ii) the date one year after the transfer or issue of such Shares to the US Participant upon exercise of the ISO, the US Participant shall notify the Company in writing within 30 days after the date of any such disposition.
- 3.5.5 **Post-Employment Exercises.** If (i) a US Participant exercises an Option that is an ISO on a date that is more than three months following the US Participant's termination of employment or, (ii) in the case of a US Participant who is disabled (within the meaning of Section 22(e)(3) of the Code), dies while in the employment of a Group Company, or dies within three months following termination of employment from a Group Company, exercises an Option that is an ISO on a date that is more than one year following the US Participant's termination of employment (but in no event after the expiration of the Option's term), such Option shall be treated as a NSO.
